TRANSCEND MOVES CORPORATE HEADQUARTERS

Atlanta, Georgia. TRANSCEND SERVICES, INC. (NASDAQ: TRCR), a leading medical transcription services provider, announced today that it has relocated its corporate headquarters and changed its phone numbers. Effective immediately, the new address and phone numbers are:

Transcend Services, Inc.
One Glenlake Parkway, Suite 1325
Atlanta, GA 30328
Main: 678-808-0600
Fax: 678-808-0601

"We are excited to be able to provide an attractive and functional new work environment for our corporate employees," stated Lance Cornell, Transcend's Chief Financial Officer. "Not only is the new space much nicer, but the move makes financial sense as well. We were able to lease approximately 10,000 square feet of space – the same amount that we had leased previously – at a lower rate per square foot, thereby reducing our occupancy costs."

The sublease agreement was previously filed as an exhibit to the Company's Form 10-Q for the quarter ended June 30, 2007.

About Transcend Services, Inc.

Transcend believes that accurate, reliable and timely transcription creates the foundation for the patient medical record. To this end, the Company has created Internet-based, speech-recognition enabled, voice-to-text systems that allow its skilled medical language specialists to securely and quickly produce the highest quality medical documents. The Company's wide range of transcription and editing services encompass everything needed to securely receive, type, edit, format and distribute electronic copies of physician-dictated medical documents, from overflow projects to complete transcription outsourcing. For more information, visit <http://www.transcendservices.com>.

This press release contains forward-looking statements that involve a number of risks and uncertainties. Among the important factors that could cause actual results to differ materially from those indicated by such forward-looking statements are competitive pressures, changes in pricing policies, delays in contract start dates, lower-than-expected demand for Transcend's solutions, business conditions in the integrated healthcare delivery network market, general economic conditions and the risk factors detailed from time to time in Transcend's periodic reports and registration statements filed with the Securities and Exchange Commission.
